	An elector had raised a question regarding NNDC Cllr Vickers Facebook comments on			
	spending taxpayer money to make part of Millennium Park a free residents car park.			
	Fakenham Town Councillors were unaware of the suggestion and NNDC Cllr Vickers had sent apologies			
	ACTION: Clerk to seek clarification from NNDC Cllr Vickers and report back to council.			
	Nomads Touch Rugby have asked if they could use Millennium Park for their sessions which			
	would require removal of one of the goal posts as Trap Lane Playing Field was unavailable.			
	The Clerk had already responded to advise Trap Lane Playing Field was still fully available for			
	public use. Cllrs agreed Millennium Park could be used but goalposts would not be removed			
	permanently.			
	ACTION: Clerk to see if goal posts could be removed temporarily.			
	An elector raised Oak Street Speeding and potential options for traffic control – to be raised			
	at the Police & Crime commissioner visit. Previous Highways advice was that the narrowing of the lanes forced drivers to slow down.			
	Norwich Street Parking – an elector raised that their shop had been hit by a delivery vehicle			
	for another shop and a customer had been clipped by a vehicle avoiding parked cars. The			
	matter has been raised with the police. To be discussed fully under Agenda Item 207/25

	award the grant sum of £500.00					
	• Fakenham Area Partnership – An application for £10474.96 to cover the entire cost of					
	installing Christmas Lights was received. As advised to FAP in May 2025 Market Tolls					
	funds may not be sufficient. It was suggested at that time that additional funding be					
	sought. Audited expenditure shows a Christmas lights profit. With forecast income					
	and expenditure of Market Tolls if the full amount is paid no other funding will be					
	available for any community groups for the remainder of 2025 and 2026. The					
	Fakenham Area Partnership representative supported the idea of the council being					
	donated the lights to take over the running costs which would be significantly cheaper					
	due to VAT reclaim. On the proposition of Cllr Glynn, seconded by Cllr Campbell to					
	write formally to Fakenham Area Partnership and explain full funding wasn't available					
	but if the lights were donated to the council, the council could take over the					
	Christmas lights.

To note comments on applications for planning applications as agreed via Email:

 PF/25/2011 - Land North Of 109A, Queens Road - Erection of 3 no. self-build detached dwellings - Councillors offered no objection. Councillors commented to note some inconsistency in the plans. The plans for plot 1 say external walls white render and read as if the building is traditional construction. Whereas, in the materials detail it shows the house as a mobile home with grey external walls.

 PO/24/0808 (Appeal Reference: AP/25/0018) - 77 Norwich Road, Fakenham - Erection of single storey dwelling - Fakenham Town Council supports the decision to refuse this planning application. Councillors commented that the site is not suitable for back garden development and access is impossible for construction traffic, due to three large oak trees and the need to go over private land.
