Fakenham SNT have been working hard over the past 2 months; We have obtained a partial closure order at one address due to anti-social behaviour and the impact it was having on local residents, we also have a further partial closure order being heard at court this week, whereby Fakenham SNT will be attending to provide evidence.

Due to an increase of intelligence in Lancaster Close – a warrant was conducted and 2x individuals were arrested. They were bailed until August whilst the investigation continues.

A drug dealer was sentenced following a proactive stop in the Lanes.

Work is being conducted with immigration at premises in town.

The North Norfolk priority is currently:

Tackle ASB including vehicle related ASB within our towns.

Please encourage residents to report any anti-social vehicles, or email me with registration numbers/ if possible, some footage of the vehicles.

To meet with Andy Girton, as Greenway Lane is still a cause for concern with speeding.

Policing will see an increase in crime and demand over the summer months and with the football and warmer days.
